### **Golf Team Members**

Queen Creek and surrounding areas

Dear Coaches, Students and Parents,

I'd like to welcome all golf team members and those who are trying to qualify for high school teams to join me for weekly golf improvement clinics which will begin: September 5<sup>th</sup> and continue every Saturday through October of 2020 from 8:30 to 9:30am. Cost will be \$10 per student per week.

These clinics will include demonstrations, Q&A's and discussions on a variety of topics such as: Full swing, wedge play, bunkers and short game development, putting, practice strategies, course management along with discussions relating to the mental side of becoming the best you can be!

I remember my years on High School and College golf teams and all the fun I had learning, playing and competing! By deciding to play this great game you have begun a lifelong journey which will teach you a lot about yourself and will mold you as you walk through life. I look forward to helping you on this journey.

**To get started, simply show up!** We will meet near the chipping green each week at Las Colinas GC. If you have any additional questions, feel free to contact me. I look forward to seeing you on Saturday mornings!

Warm regards,

*Jason Barrett*

***NOTE: There will be no clinic on Saturday 9-26- 2020.***  
*Classes will resume the following week.*
